1976

In accordance with the American Bicentennial and in honor of our great American Heritage, we the 1976 Stars and Stripes Staff of Beyer High School present you with this special edition:

SPIRIT of AMERICA

This year, highlighting the spirit of our school— join with our historical theme:

1776:1976

REVOLUTION TO INDEPENDENCE

1776 Education was simple, but so was life. Discipline was the motivation for good students, and good educators they became

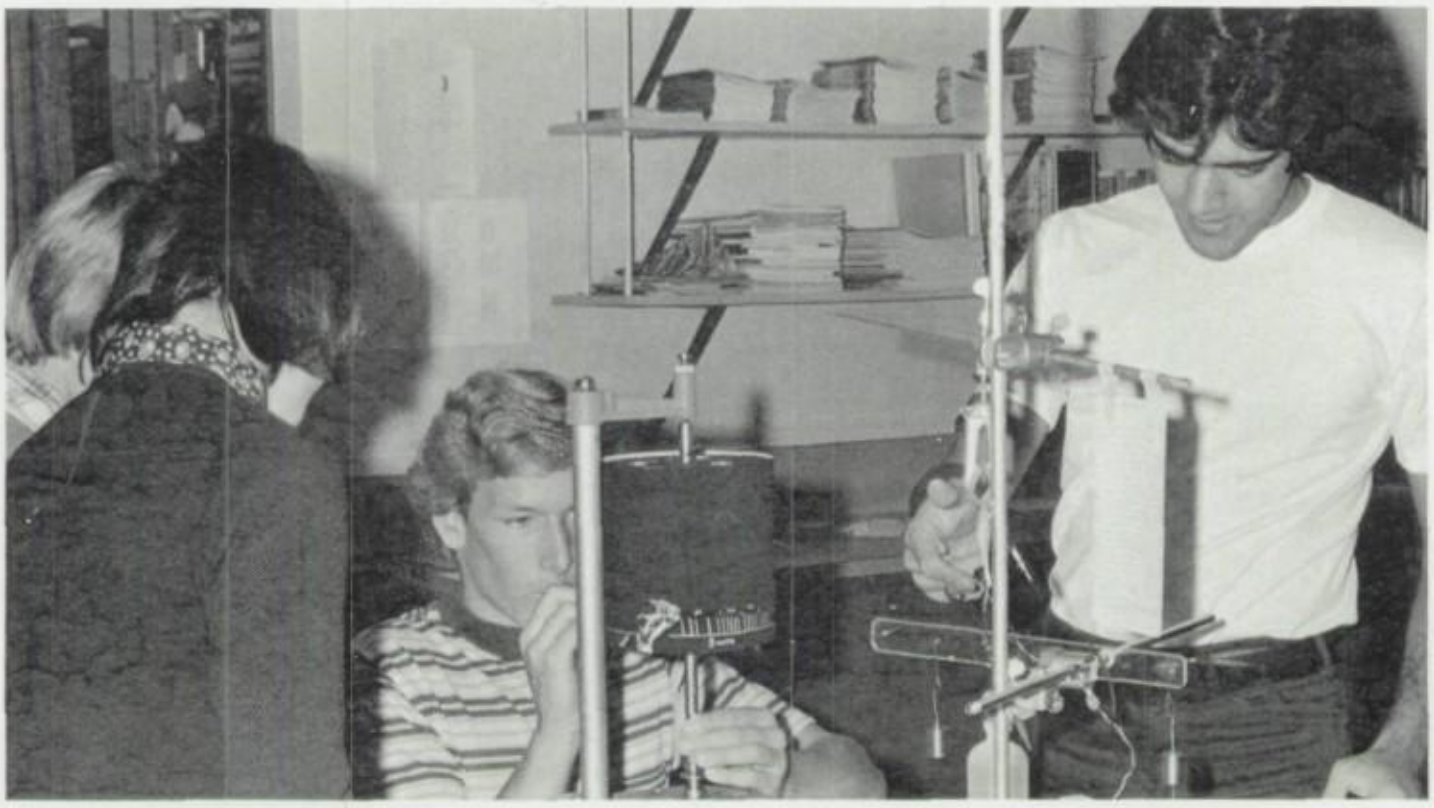
. . .

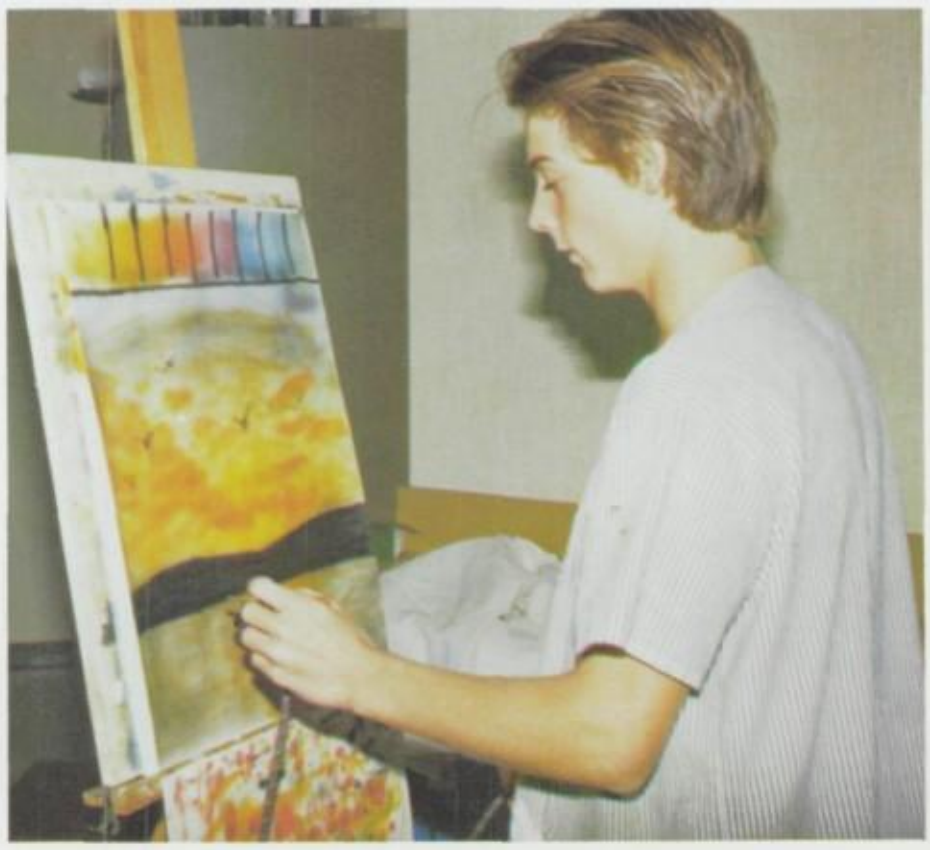


... 1976 A more complex and organized method of education, shining the lights of freedom yet maintaining its discipline.

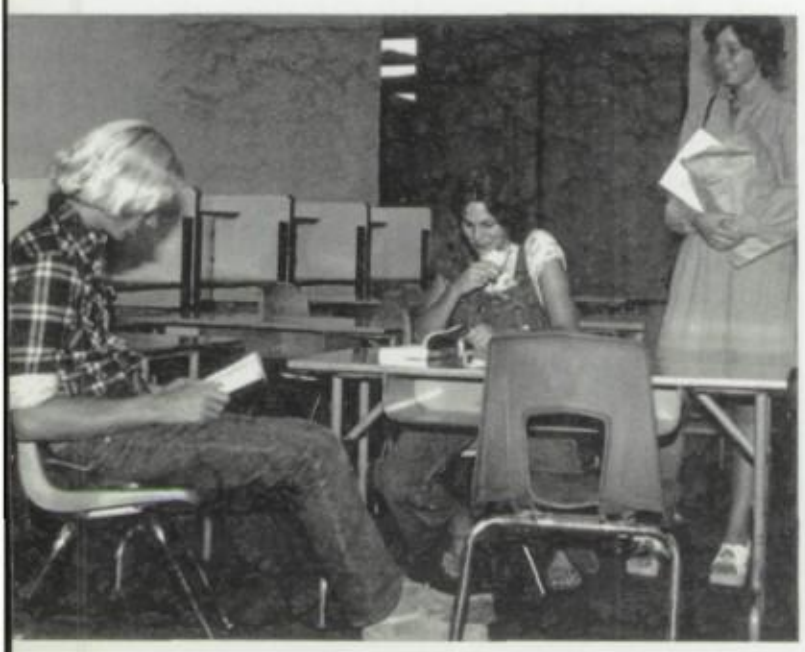
... KBHI stresses independence of thought, and revolution in action. The station, along with KDHS of Downey, make Modesto the first city in the United States to contain two STUDENT OPERATED radio stations.

...again, independence is stressed; be able to do it yourself, with a LITTLE help from modern machinery.

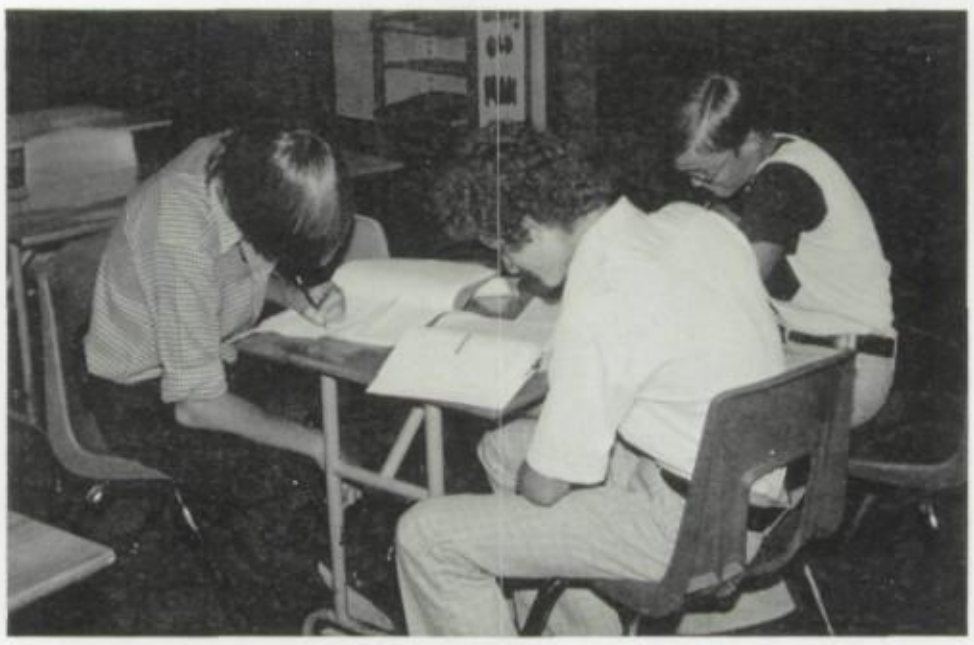
...Even with the teacher shuffle at the beginning of the year, auto continued to exemplify student independence in action.



The Home Economics and Art departments are only two of the many areas which allow Beyer students so much freedom. Through individualized work, students can create projects which may travel to the depths of one's imagination. This type of student-teacher cooperation truly reflects the Spirit Of America in Beyer High.

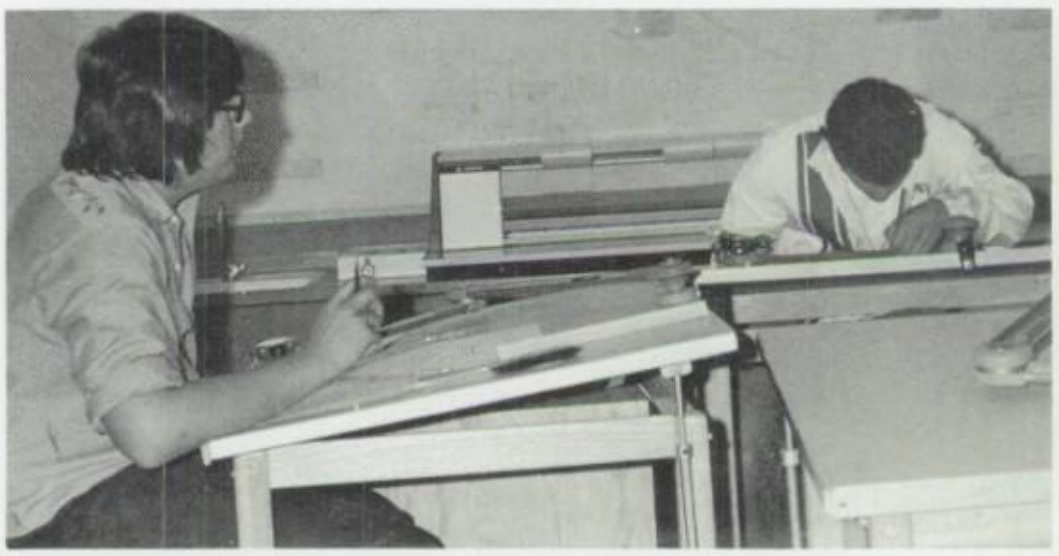


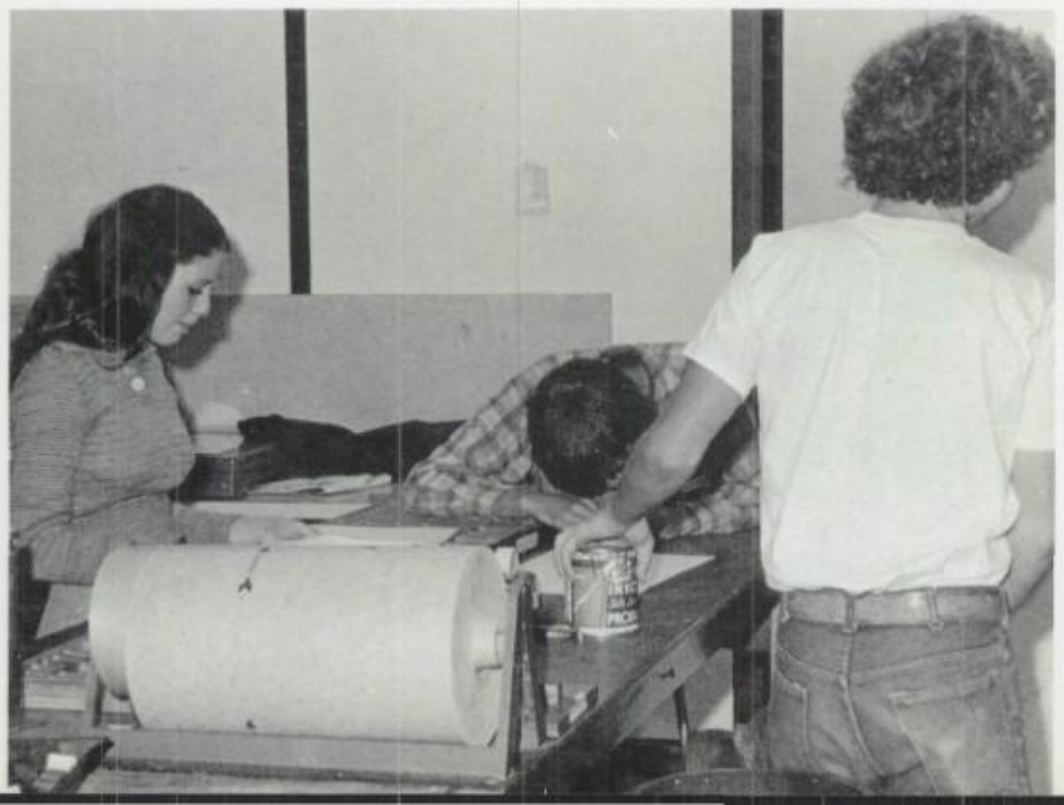
At Beyer we are provided with an area to socialize and eat when we have time. The building is also designed with study areas in each department along with a library. Beyer is independent and revolutionalized from other schools.



. . . every individual has a way to express himself

. . . and Beyer has many ways to allow expression





. . . Drafting and Graphics are but two ways for individual expression.

A special edition of the Stars and Stripes such as this "Spirit of America" is a demanding undertaking. Room I-12 was the scene of countless hours spent planning, assigning and taking photos, drawing and re-drawing layouts, composing thousands of words and finally fitting together the numerous components into a single unit. Those who slaved over copy-fitters and photo proportioners during the year were:

Co-Managing Editors: Samee Roberts and Holly Hilliker.

Donald Heintz, a four year Beyer staff member, has spent countless hours after school in supervising students with various projects and farm operations. In addition to heading up the Agriculture department, he serves as Advisor to the Future Farmers of America organization. His fine advice has led many individuals to receiving top honors through F.F.A. competition. For doing all these things and being a friend to all, the 1975-1976 Stars and Stripes staff recognizes you, Mr. Heintz.

On April 3rd, Beyer High School was the site of the annual California Scholastic Federation's Spring Convention- and what better person could we have to organize and advise this important function! Miss Kimball, a well-loved person and one of the most vital members of our English department, recently gained a nomination to the State CSF Board, an honor both very prestigious and well-deserved. Rather successfully, Miss Kimball and the members of CSF busily planned pie auctions, slave sales and numerous other functions to earn money for the convention. We appreciate Miss Kimball not only for her work with CSF, but for her other efforts as well— such as last year when she acted as chaperone for six hard to handle speech students for a tournament week in San Francisco! We thank you Miss Kimball, for your genuine devotion and ambition at Beyer High School!

IN RECOGNITION OF . . .

In the beginning of the student's years at Beyer, Mrs. Oesau seems just like another one of the counselors, checking schedules and directing students to their classes. But if you're lucky enough to have her for your counselor, you'll find that Mrs. Oesau does a fantastic job of caring about each of the students she's charged with counseling. When you become a senior, if you plan on going to college and need help in the way of finances or recommendations, she'll do everything she can to assist you. This doesn't seem too incredible, until you realize that she gives fantastic service to everyone who comes to her, during their years at high school and beyond.
This is just a small token to you, Mrs. Oesau, in recognition of the fine job you do.

Mr. Mackie has worked with youth all his life and on the high school level for the last ten years. He started teaching at good ole' BHS two years ago.

His free and open attitude toward his students make his classes the most interesting and the most enjoyable classes our curriculum has to offer.

It is with respect and sincerity that we, the staff of the 1976 special edition of the Stars and Stripes, recognize Mr. Robert Mackie.

SPECIAL ADDED ATTRACTION

These six people have each contributed $20 to be put into a savings account at Guarantee Savings where it will earn interest for the next seven years.

At the end of this time, in the summer of 1983, these people will re-convene in Modesto and the first to have gotten married will be the lucky winner (SUCKER) of the money.

It'll probably be Becky, but Rob'll be a close second.

STUDENT GOVERNMENT

Since Beyer has been operating, many teachers, administrators and student groups have worked to increase student involvement. Student Government has been the most prominent in this area. The ever-increasing group, led by Mr. Reese, has successfully launched the Respect and Responsibility program, while, at the same time, helping class leaders learn new and different ways of communication.

FFA

Off to a hammering start this year were FFA members who installed livestock pens to keep project show steers. It was soon filled with many four-legged animals who along with their owners will hopefully become the fair winners of 76! Also traveling with the same destination in mind are many members with market hogs and lambs. Other student projects take in dairy and poultry management, and constructing in the ag shop such projects as pickup racks, picnic tables, barbecues and trailers.

Beyer aggies take pride in being part of the national Future Farmers of America, an organization designed to develop agricultural leaders. Through active participation in the FFA, members may attain up to four degrees at the local (2), state, and national levels. These are based on individualized projects, leadership abilities, and competitive participation. Among the many contests open to members are public speaking, parliamentary procedure, and a wide variety of areas in judging competition. Beyer's Bruce Troedson, Scott Oyler, and Perry Landes boasted a first place in the State Tree Judging Team finals.

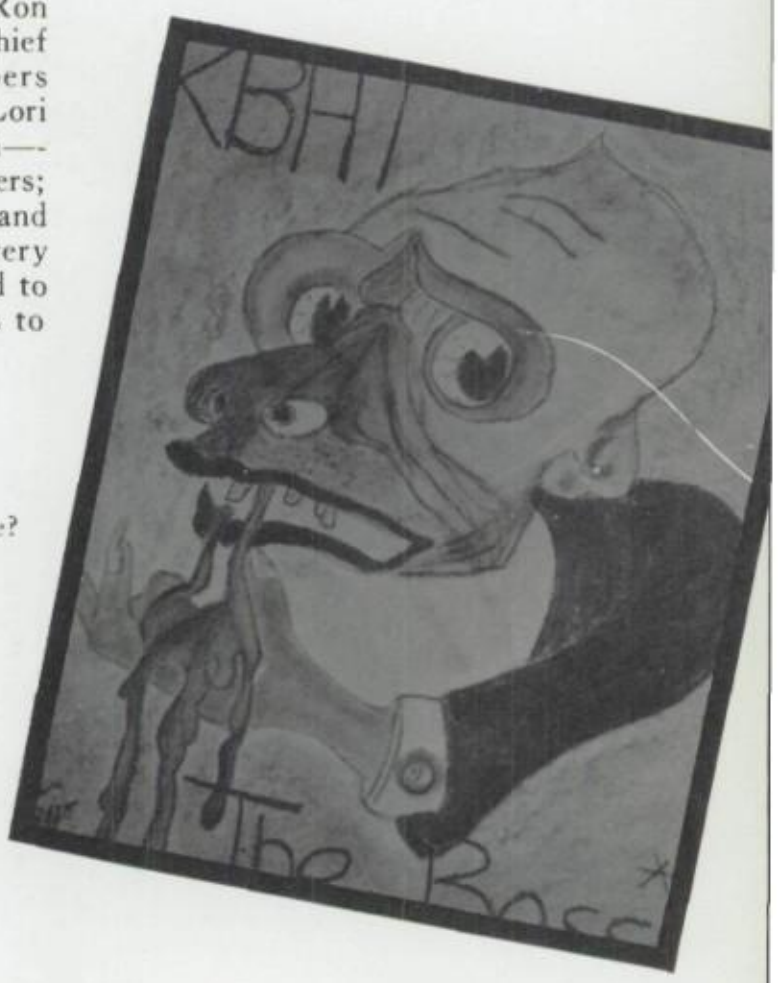
KBHI - 89.9

Whether it be rallies, football or basketball games, the members of Beyer's radio station are always on top of the action! In addition, one can listen to many special programs, news reports, and "good ole top ten", five days a week, from ten in the morning until eleven at night! Special commendation should be given to instructor Ron Underwood, station manager Kelly Corbett, chief engineer Jim Bregman, and board members Michelle Davis, Steve Gordo, Teri Harger, Lori Hammer, Lori Schaaf, and Joan Darpinian—oh, of course- we can't forget those sportscasters; Steve Hackett, Tim Eiland, Steve Hurley and Harry Mersman. Congratulations on a very successful year— and we are looking forward to much more musical enjoy- ment in the years to come!



Who could that be?

Harry Mersman looks as if he just put a few minutes of "dead air" over our station, KBHI!

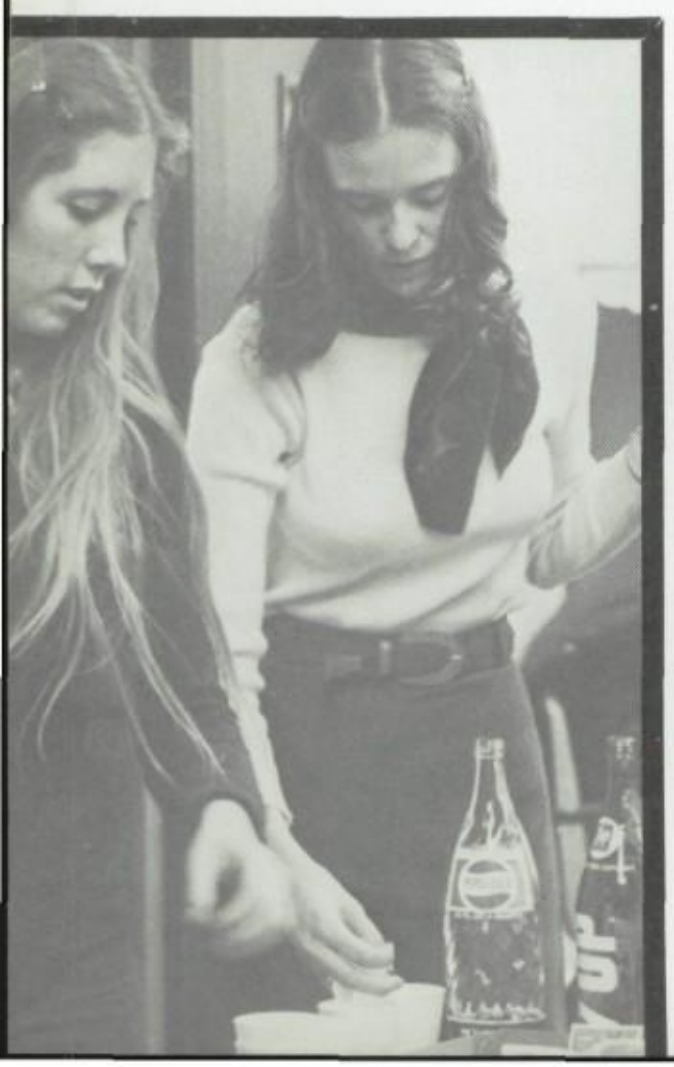
Beyer Speech has become a very important factor to the high school lives of many students and to the school as well. Our speakers have captured first and second place rankings at every league tournament this year. In addition, the entire team has helped in gaining for Beyer, sweepstakes awards at Santa Cruz, Consumnes River, Fresno State, Stanford. Beyers's top two debate teams, Pat Brooks and Samee Roberts and Mark Ichikawa and Cherri Ebright have managed to make the elimination rounds at well over seventy percent of the tournaments they have attended. Individual events have been a very strong area for Beyer, with our speakers continously winning awards at all of the major tournaments! This success is due to the brilliant instruction of Mr. Ron Underwood, truly a dedicated and hard working speech teacher!

Pondering over the arguments are Beyer debator's Cherri Ebright and Mark Ichikawa.

Mary Bird and NFL Chairman Kelly Corbett help the speech budget by selling refreshments at a tournament at Beyer.

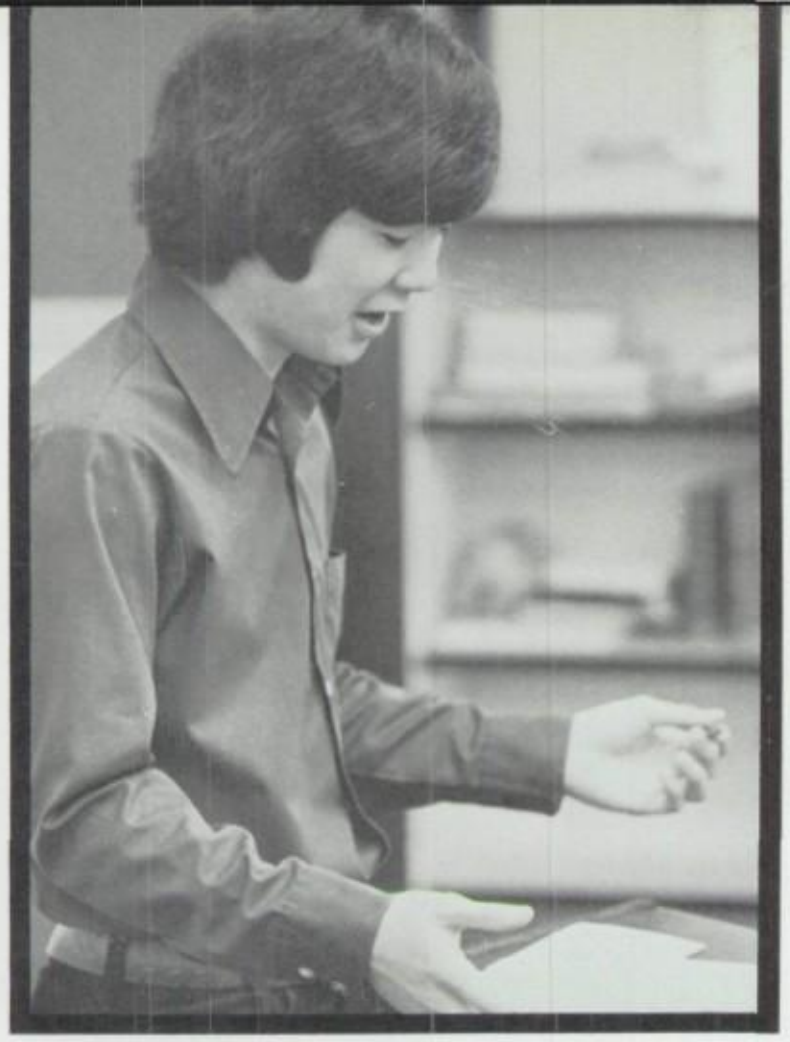


Jeff Harding tells us, "Its just this much more enthusiasm that will get me a good ranking in this humorous round!"

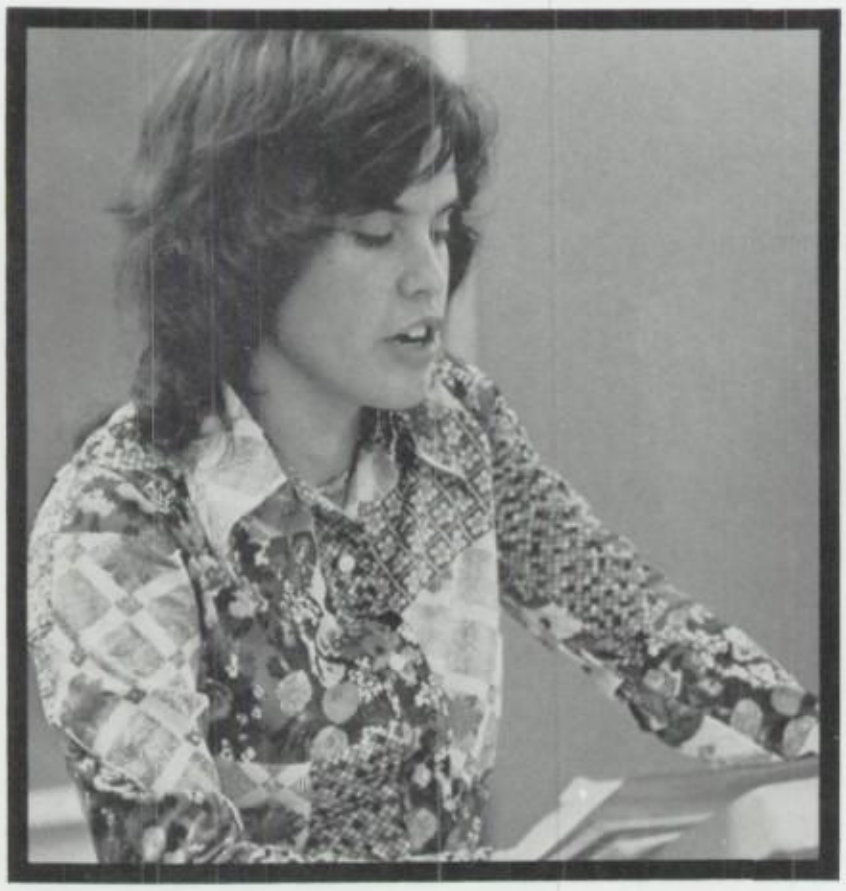
Jorja Jo Crump during one of her busier speech days!

And they keep on talking . . .

When Teri Harger tells her debate partner, Joan Darpinian an argument to run in her speech, she gets this response!



Steven Ichikawa shows us the most effective speech method-talking with your hands!



"The Man" about the speech room, Pat Brooks, shows some class while giving a speech during a debate (what kind of class is that, Pat?)

Samee Roberts' Favorite Saying is, "For your information . . . !"

Becky Holmes looks as though she just realized her entire negative speech is really affirmative in nature

As Steve Gordo points out, gestures and facial expression are an extremely important part of "Spread Debating"

The German and French clubs at Beyer both try to expose their members to native customs and traditions. With money raised from various activities, these clubs have meals (ie. an Autumn Breakfast, a Christmas Dinner) which feature items from foreign cuisines.

The French club is a new club to our campus this year, but the German club has been in existence for several years now. Some of the members are not pictured, but c'est la vie, as the French say.

Some time this summer, several members of the German club will be actually going to Germany. The trip will be financed solely through the efforts of club members, through fund raising activities and help from their parents.

Senior Baby Pictures

LISA TRELOAR has a bright smile and a wave for the camera. SCOTT TOKE NYEGAARD looks like he got caught in the act. But in the act of what??

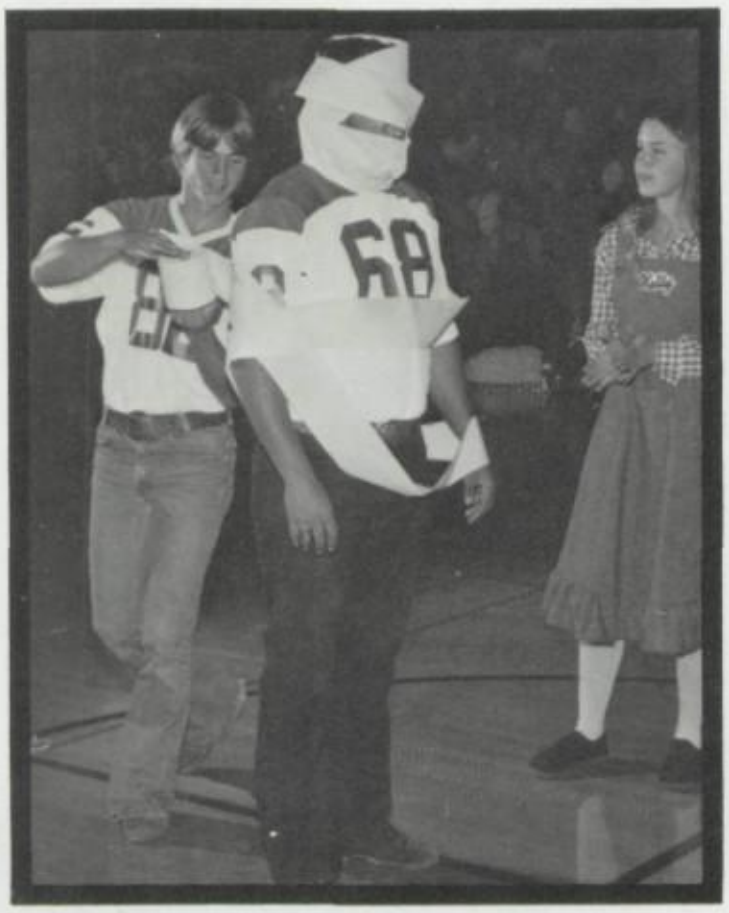
STEVE GORDO is surrounded by lots of interesting things to do but remains a typically bored and apathetic pre-schooler. CORRINNE OCCHINO is all dressed in her Sunday best for Easter. TED YOUNG is getting a little practice on his first hill.

For most of us, Senior year is a time for looking forward, with anticpation and not a little trepidation, to the time we will step out into the "real" world. However it is also a time to look back and remember our lighthearted days when everything came so easily.

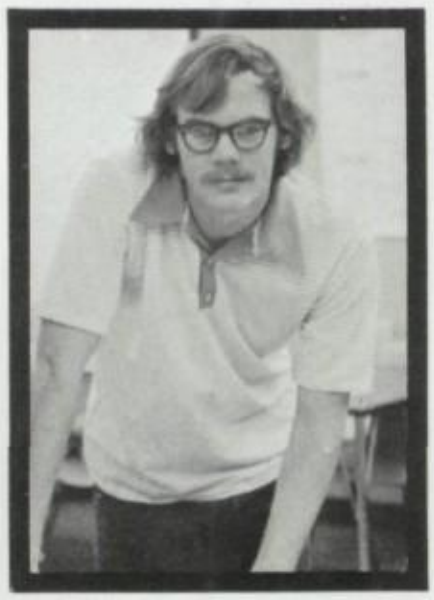
LISA NARD is over-whelmed at her first sight of TIM RYAN, who is practicing some kind of funky new dance.

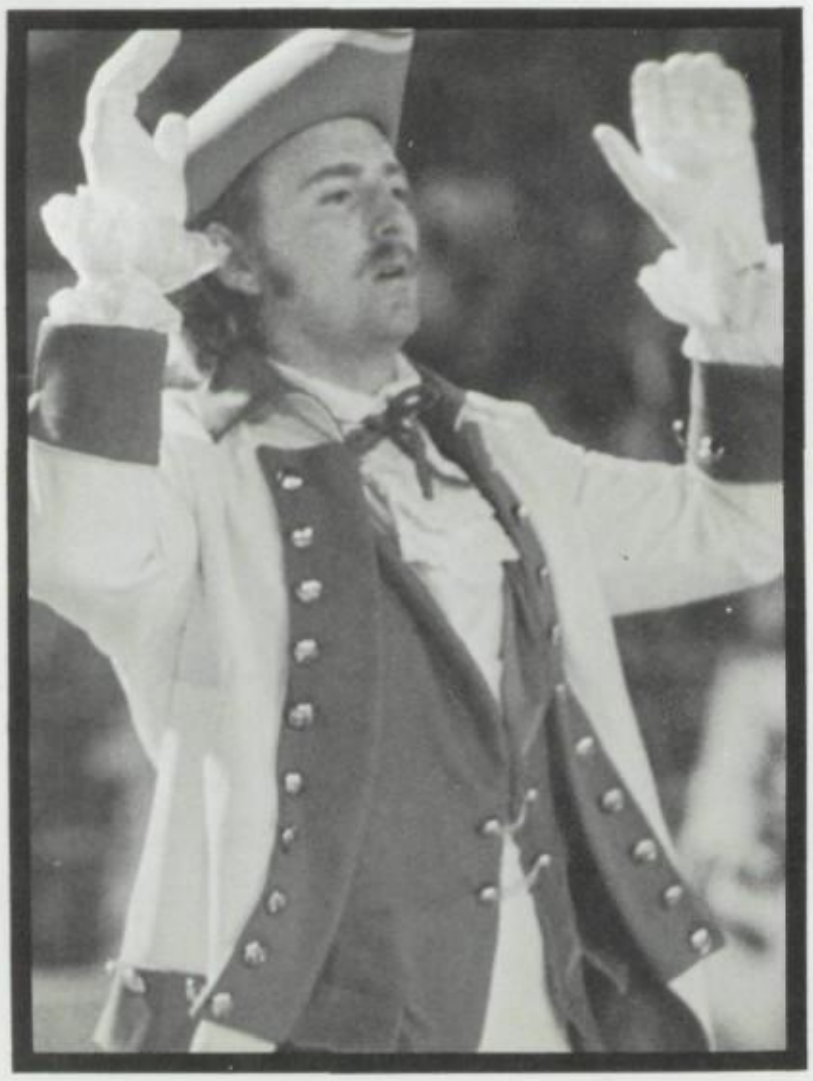
Just by looking at this early picture of CORRINNE BAKER you can tell that she was destined to be a yell-leader. TERRI ADAMS is taking a spot of sun. Last but not least we have PETER KATSUFRAKIS looking puzzled. What the man who knows everything?!

To add to one small part of these memories we, the Stars and Stripes staff, decided to devote these pages to a glimpse of some our Seniors. At their best, at their worst, but living it up in the "good old days."

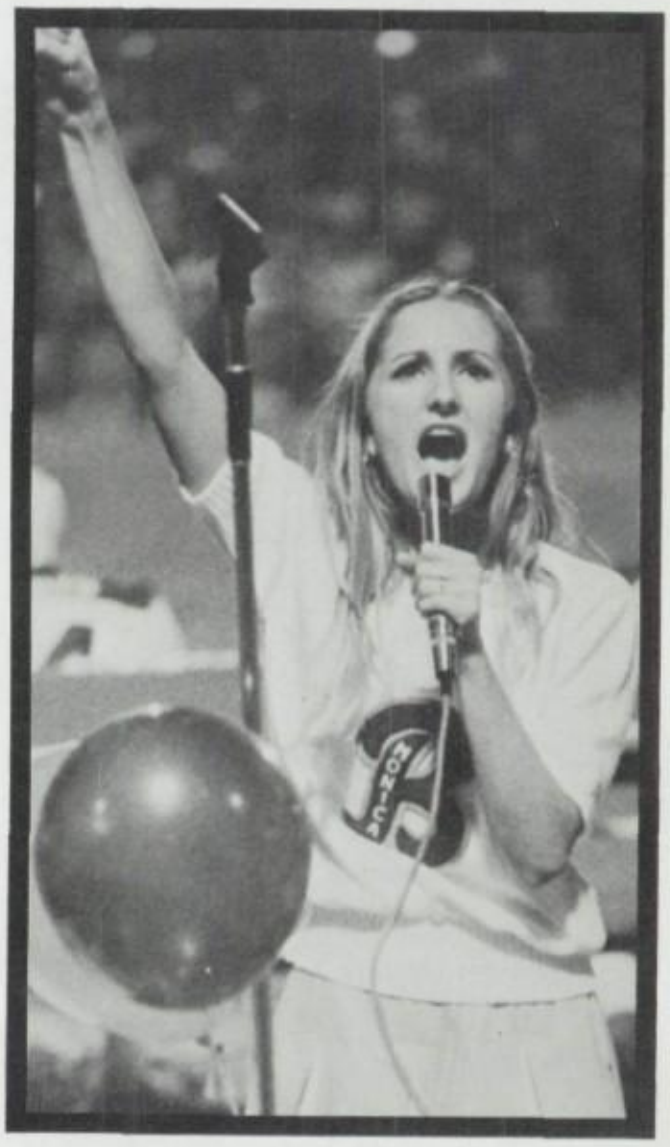


SENIOR





CANDIDS



SENIOR

I, Caryn Adams do hereby will my friendship with the Riverbank cheerleaders and parents to next year's cheerleaders and songleaders.

SPORTS

Football is Best Ever

Beyer High School, only a patch of grass in 1970 and in 1975 a football champion. Hard to believe, isn't it? Well it happened this year as our Varsity squad compiled a 9-1 regular season record, winning all of their games in conference play. In the dream game, the Turkey Bowl, the Patriots dropped a heart-breaking 10-2 loss to Stagg, thus finishing second in the valley.

The Sophomores, playing the role of the hard luck team, won their first six games, but then dropped three in a row by just a touchdown or less. All games could have gone either way, but with a 7-3 record, our sophomores gave a fine showing.

The Freshmen started off poorly, but as the season progressed so did the team. For the first time in the history of our school all three football teams can sport winning season records. We the Stars and Stripes staff salute the players and their coaches for the outstanding job.

Last row; Stuart Landon, Mike Allen, Jerry Williams, Skip Starring, George Brown, Bob Burken, Scott Francek, Ridge Sutter, Don Rose, Bob Ayers, Steve Clarke.

Bob Bandy has been a part of Beyer Football ever since it began and he had a lot to do with the great season.

Beyer High School has now earned the l marking in the CCC for Football and can wear it until someone can take it away. Beyer playing the role of a Cinderella team all year went 9-1 in regular season and 6-0 in CCC play, then playing in their first ever Turkey Bowl they were to face Stagg rated 3rd in the state. The Patriots fought Stagg to the death and the winner was not decided until the final gun went off. Beyer lost a thriller 10-2. The defense held Stagg's top rusher to only 13 yards on 16 carries. Stagg stated after the game it was the toughest defense they went against all year and that's including Lodi who was said to have the best defense in the state.

Coach Dean Laun, who was named coach of the year, led the Patriots to a near perfect record.

No team could be successful without a good Assistant Coach and Beyer had two and one of them was Rich Redell.

A Season in Pictures and Words

Mighty Doug Severe (77) symbolizes who is #1 as Beyer is only seconds away from their 14-6 win over cross-town rivals Davis

Beyer had enough said about their great defense all year but their offense was a good one, granted it wasn't the best but it was better than 95% of the schools in the valley. Jerry Semone rushed for 949 yards during regular season. Dave Hamilton did a great job passing this year as his favorite target was Scott Worthington and Bret Case. Doing good at the Fullback position were Nick Russo, Dave Strade and Ron Whitmore. Other backs were Brian Goren and Tim Price.

Tailback Jerry Semone is on his own.

An excellent Defensive Back and Tailback all year Brian Goren runs with the football against Turlock. Beyer at the time leads 14-6 and went on for a 28-12 win.

Defense Is Best In Valley

Scott Worthington Beyer's top receiver of the year goes after a pass in the Lodi game. Amazing as it may seem he made this catch for a big gain. Beyer lost this game 13-12 for their only loss of the regular season.

Dave Strade strangles a Turlock runner as Beyer is on their way to a 28-12 homecoming win.

Defense was one of Beyer's strongest points all year as they gave up less than 7 points a game. Two reasons for this were Doug Severe (77) and Nick Russo (34) as they put the crunch to a Modesto ball carrier.

Beyer had the greatest season over this year and Defense played an important role in the season's success. Beyer had no weak points on defense as the Patriots had close to the best defense in the state. The Line was led by Doug Severe who was named CCC Lineman of the year. Also on the Line was Jerry Semone, Bret Case and Dave Cheney. Linebackers included Ron Whitmore, Dave Strade, Nick Russo, and Marty Shinko. The secondary was also very tough and on the corners were Brian Goren and Scott Worthington and doing a great job at Safety was Robert Chappel. A lot of local High School players will long remember this defense.

Scott Worthington runs with the football for the Patriots after catching a Dave Hamilton pass. The play went for 8 yards and a first down.

Doug Severe makes a big catch on a tackle eligible play. It went for 24 yards and a first down at the Stagg 7.

Turkey

The Turkey Bowl, the biggest game of the year for the Patriots was one of the most exciting ones also. Beyer got on the board first with a safety, unfortunately the Pats were to score no more. Stagg scored 10 points and that's the way it ended at the half, Stagg 10 Beyer 2. Both Defenses played great in the second half the Patriots in particular. Beyer mounted one good drive that fell short at the two. In the last two years Beyer has one of the best records in the state. 16 wins 3 losses and 2 ties. Stagg was rated third in the state before the game and Beyer didn't fold and played right with Stagg all the way and certainly could be in the state's top 10. It was a great year for football at Beyer. But Beyer is still #1 in the CCC and city.

Bowl

The famed Patriot defense stops Fred Douglas Stagg's best ball carrier. As a matter of fact they held him to 13 yards on the day. Making the stop are Brian Goran (21) and Scott Worthington.

Dave Strade throws a great block and Nick Russo is on his way for a 11 yard gain.

SENIORS ARE WINNERS

These Seniors represented Beyer High Football throughout most of their days here at Beyer, and they were tabbed as winners. In the four years they were here they had a record of 27-9-3 and led the Varsity team to their first ever CCC Title and Turkey Bowl.
We the Stars and Stripes Staff congratulate the Senior Football Graduates for a great job as they help establish Beyer as a winner.

Sophomores Finish at 7-3

Front row l to r; Ed Martinez, Curt Polack, Terri Encerti, Pat Smithley, Joe McGrath, Tim Yarnal, Greg Alexander, Eliso Charles, Mike Rodriquez, Randy Tigner, Dennis Ellis. Second row; Brett Doyles, Ed Bello, Aaron Pollack, Bret Kirby, Robert Dugo, Dave Garcia, Andy Barton, Darrel Kilby, Dave Ramsey, Richard Brairton, Chris McKinsey. Third row; Todd Brown (Mgr.), Gary Sedoo, Jeff Peterson, Jeff Martin, Dan Sundy, Larry Martin, Eric Walton, Craig Pimlott, Steve Broyles, Eric Colo, Bill Murray (Mgr.), Mark Paladini.

The 1975 Sophomore Football team surprised a lot of people this year by winning 7 games and losing only 3. As Freshman they went 1-7 so not many people expected much except Nick Chipponeri the Head Coach. Well the team went out and won their first six games of the season and were right in the running for the CCC Crown. Then all of the sudden disaster hit and the Patriots dropped 3 games in a row. Dennis Ellis won Back of the Year award by virtue of rushing for 695 yards.

Ron Carey is in hot pursuit of the Modesto quarterback as Beyer is on their way to a 26-0 win.

Robert Dugo earned Lineman of the Year. Then the Blue Devil went to Tim Yarnal and Bret Kirby. With these Sophomores joining next year's varsity watch out CCC.

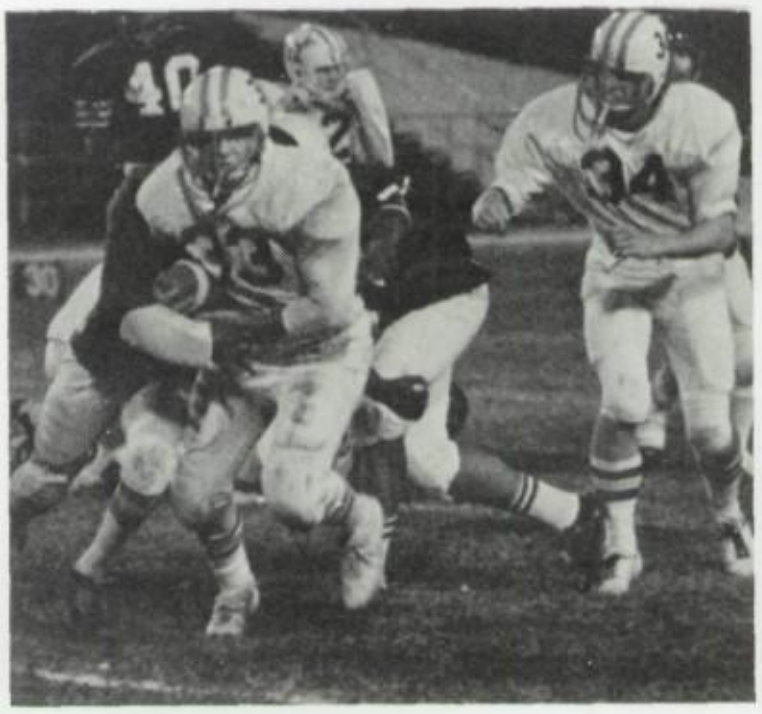
Nick Chipponeri is a great coach and proved it again this year by leading his team to a 7-3 record. That puts his overall record as a coach to 21-8-1.

No team could exist without a good line and Harold Crumpley did a great job as the line coach.

Highlights from Soph Season

Dwayne Roberts boots an extra point in the Oakland Game as Beyer is on their way to a 14-0 win.

The Beyer Sophomore Team demonstrates the art of gang tackling.



Brett Doyles breaks a tackle and heads for a nine yard gain.

Dennis Ellis breaks into the open field against Turlock, and looks down field for more room as Brett Doyles (33) and Robert Dugo (65) set up to block.

Jeff Martin finds out Quarterbacking can be a lonely job.

Freshman Football Best Ever at 4-3-1

Freshman football got off to a slow start this year and not many people got too interested in their season until all of a sudden they started winning their games and they ended up with a 4-3-1 record the best ever by a freshman team at Beyer. Coach Johnson in his first year at Beyer did a great job this year and with his help and the great play of the team the Football future at Beyer looks good.

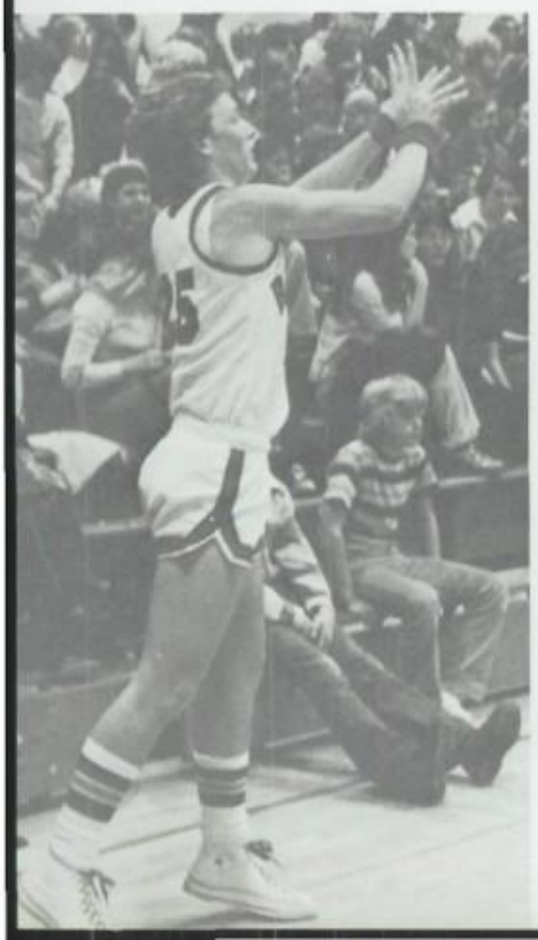
VARSITY BASKETBALL CAPTURES CO-CITY TITLE

Back row l. to r.-Ken Maguire, Greg Makenzie, Jim DaBraeo, George Brown, Larry Sarkis, Robert Chappel, Coach Davis. Front row l. to r.- Bob Schuman (Mgr), Steve Keller, Tom Miller, Jeff Koester, Don Bell, Matt Andrews, Skip Starring.



Beyer Basketball is the most exciting of any around. Every year they have at least ten games that go down to the wire. This years team captured Co-City title along with Davis as the two teams split Beyer winning first 57-51, then losing 62-58. They also beat Modesto and Downey twice. They won the consolation at the Oakdale City Tourney only losing to Turlock 51-50. Jim DaBraeo the 6 foot 6 inch center led the team in scoring, although Scott Kerr, Matt Andrews, and Greg MaKenzie had many good games. The team hoped for a possible CCC Championship, but dropped many heart breakers. The Juniors that will return next year are Don Bell and Tom Miller at guards. George Brown and Kerr at Forwards and DaBraeo at center. So Coach Davis has a lot of talent next year. This year there was a new cheering section called Gusto Gallery led by the cheering of Mike Banda and Scott Nyegaard, Spirit was great this year and with all the close games Beyer Basketball was about the best around.

Many close games were decided in the time-out huudle, as the Patriots had Ten games decided by four points or less.

they expected a general... and we're given a child.

they expected a coronation and were given a star...

they expected victory... and were given Love...

by Rich Sanolio'

Jesus said to him, I am the way the truth and the life no man comes to the father, but by me.

John 14:6

But God demonstrates His own love toward us, in that while we were yet sinners, christ died for us.

Romans 5:8

this ad was paid for by the christians on campus who care about <u>you</u>. Jesus is Lord in our lives, we'd like to share his love with you.

Keely-75

YOU CAN RECEIVE CHRIST RIGHT NOW BY FAITH THROUGH PRAYER

God knows your heart and is not so concerned with your words as He is with the attitude of your heart. The following is a suggested prayer:

"Lord Jesus, I need You. Thank You for dying on the cross for my sins. I open the door of my life and receive You as my Savior and Lord. Thank You for forgiving my sins and giving me eternal life. Take control of the throne of my life. Make me the kind of person You want me to be."

Does this prayer express the desire of your heart?

If it does, pray this prayer right now, and Christ will come into your life, as He promised.
